

Key:
Orange: Lift
Pink: Room we use
Navy: Stairs

Room L102

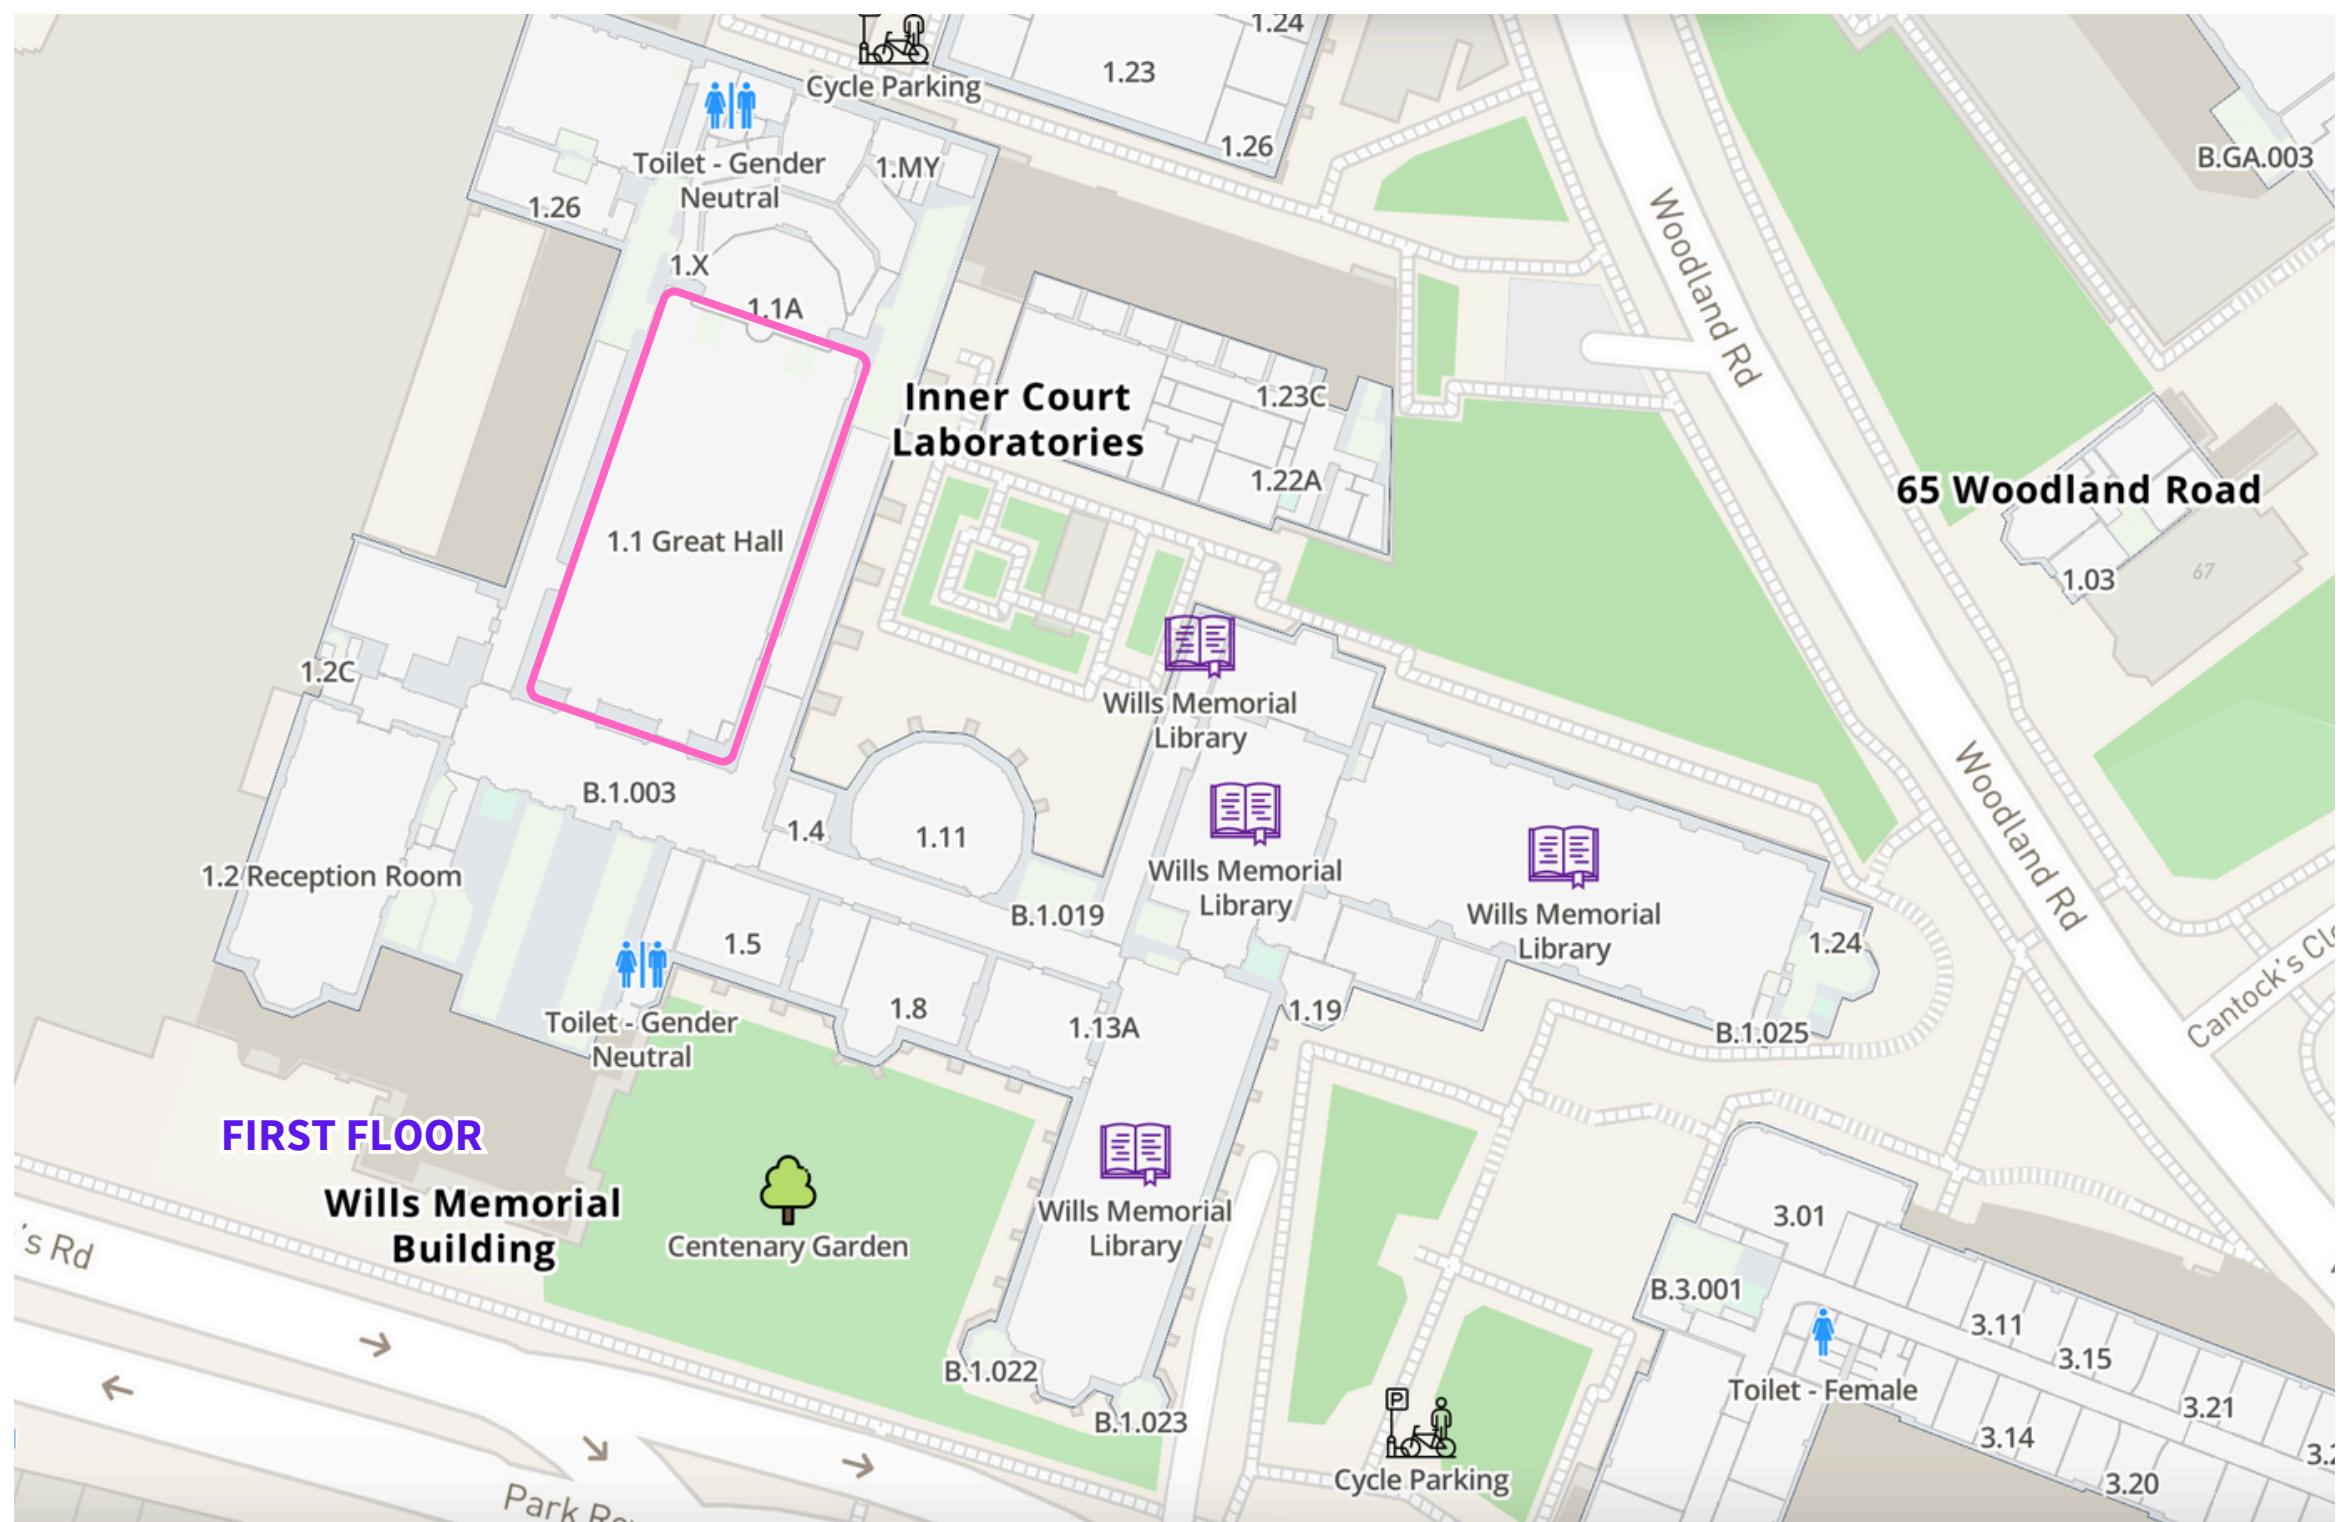

Room L103

Room L110

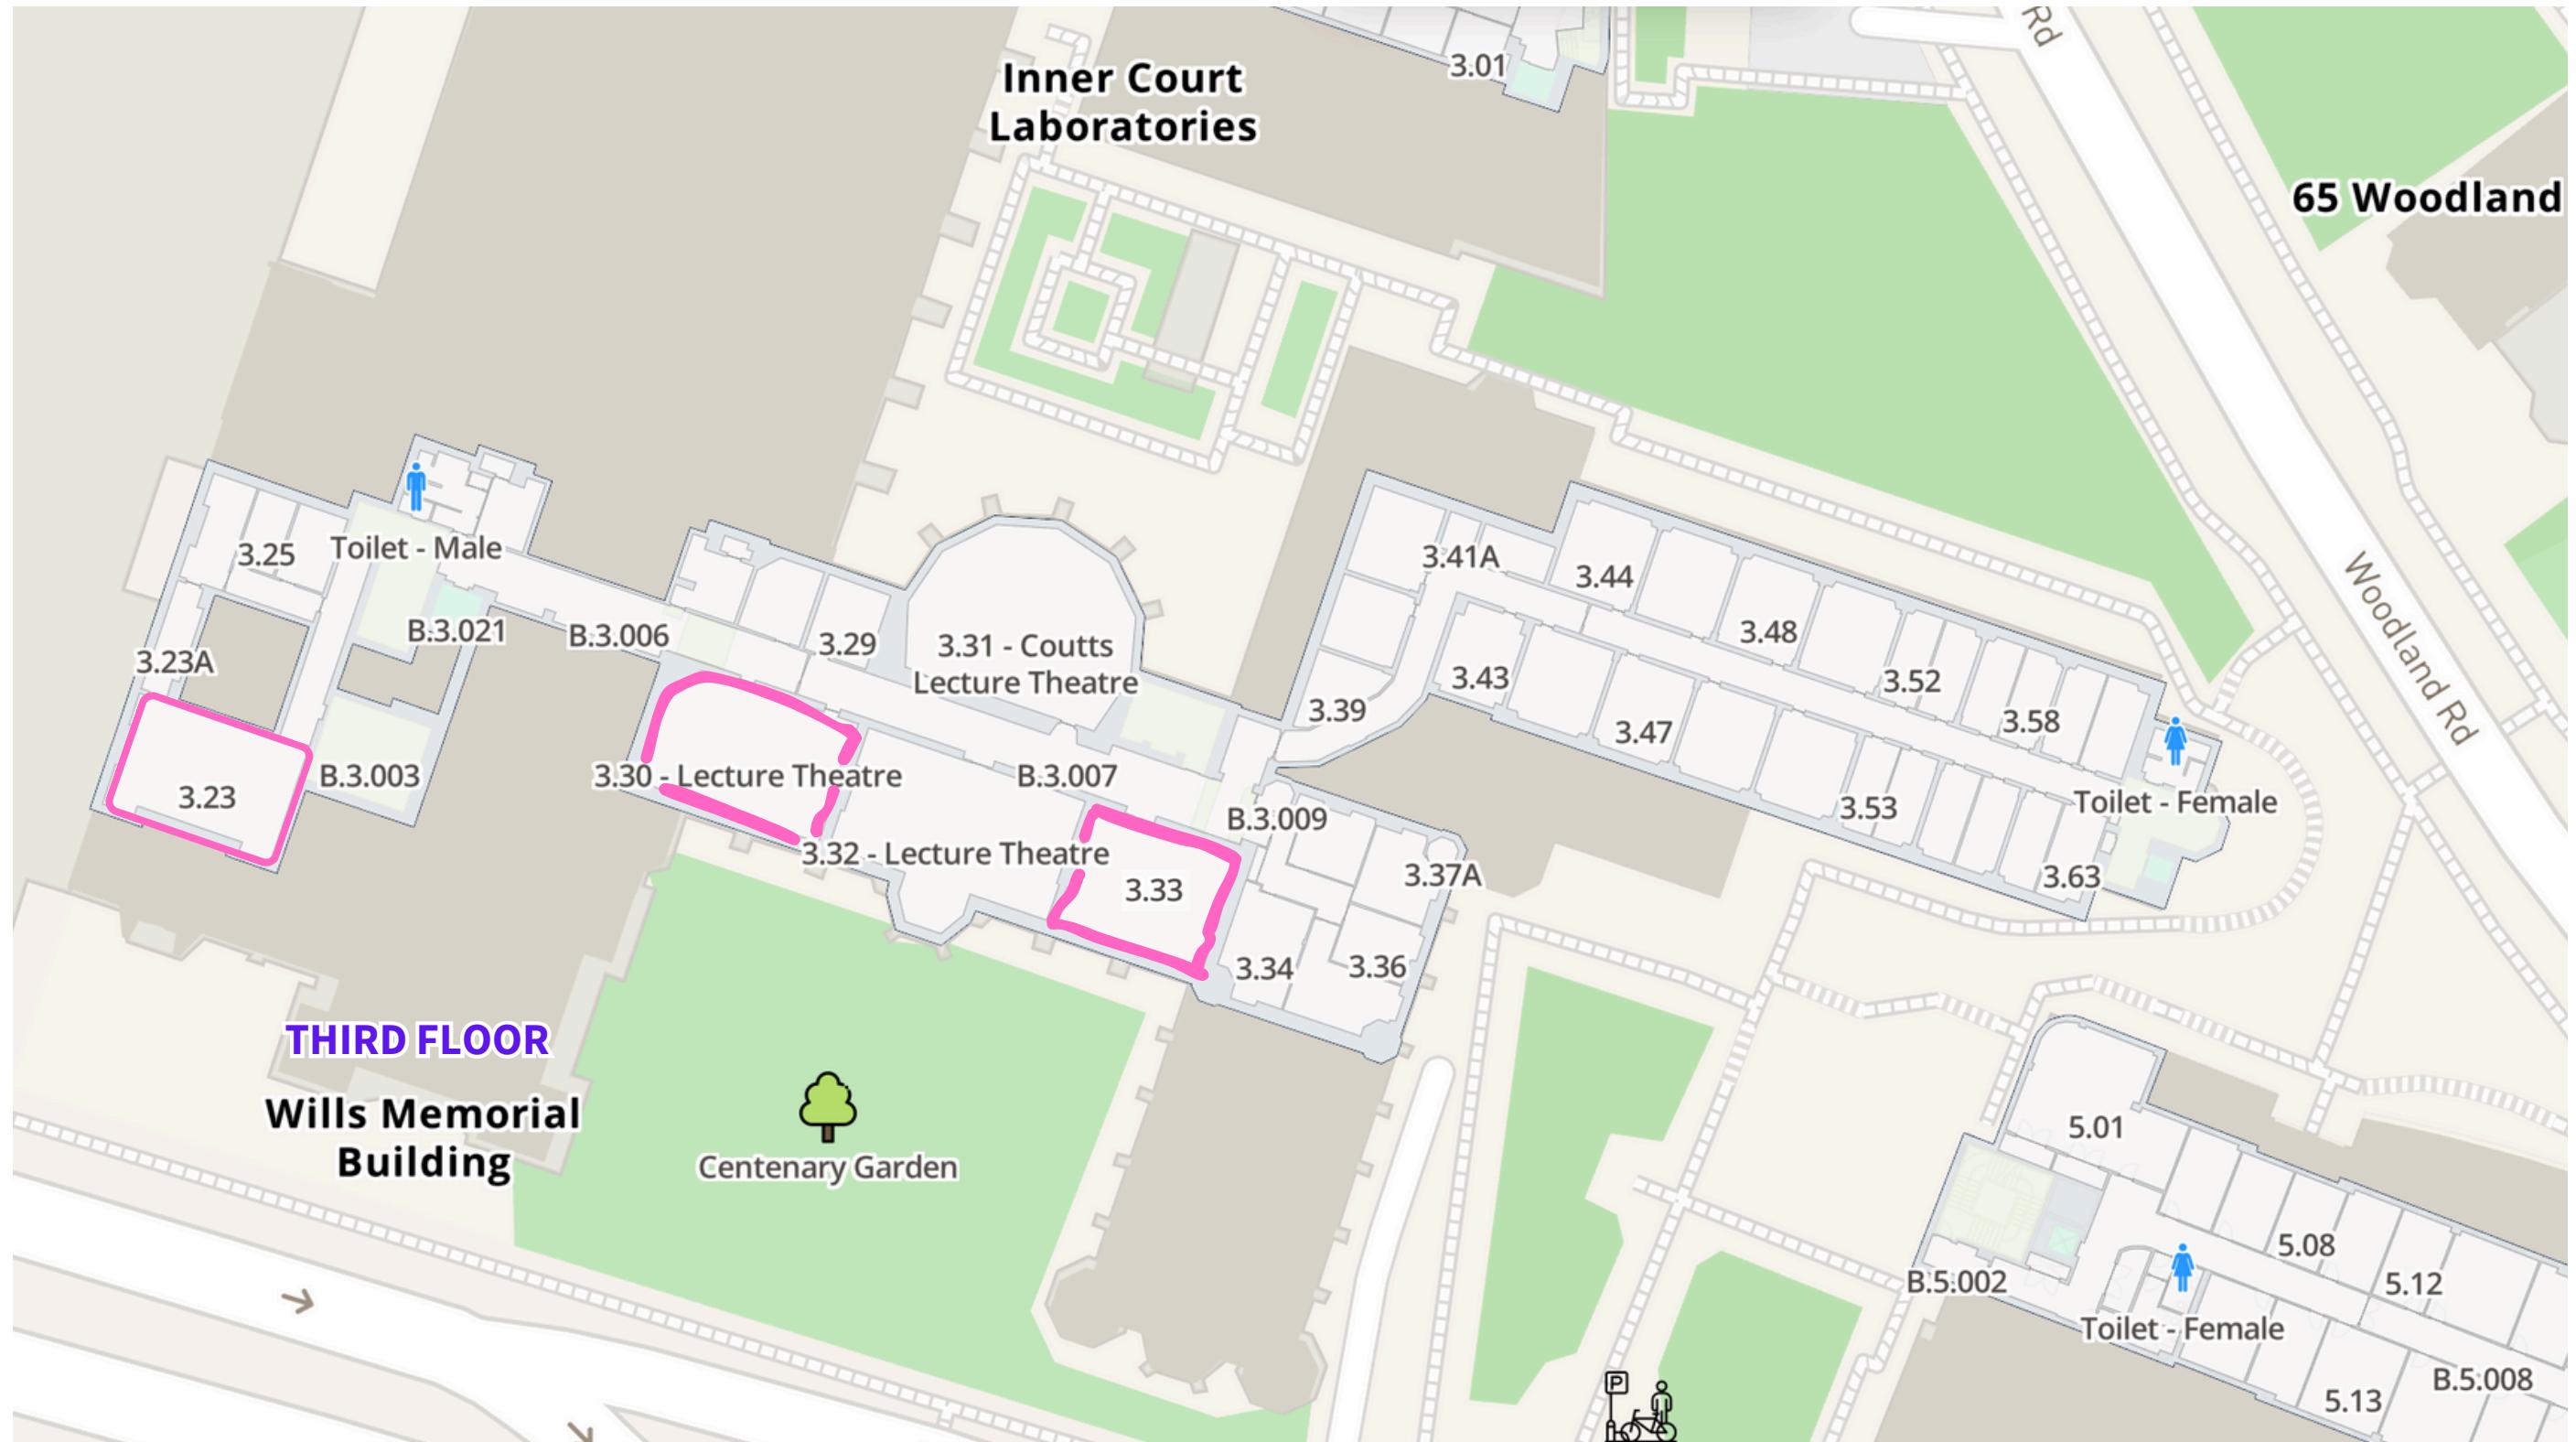

The Great Hall

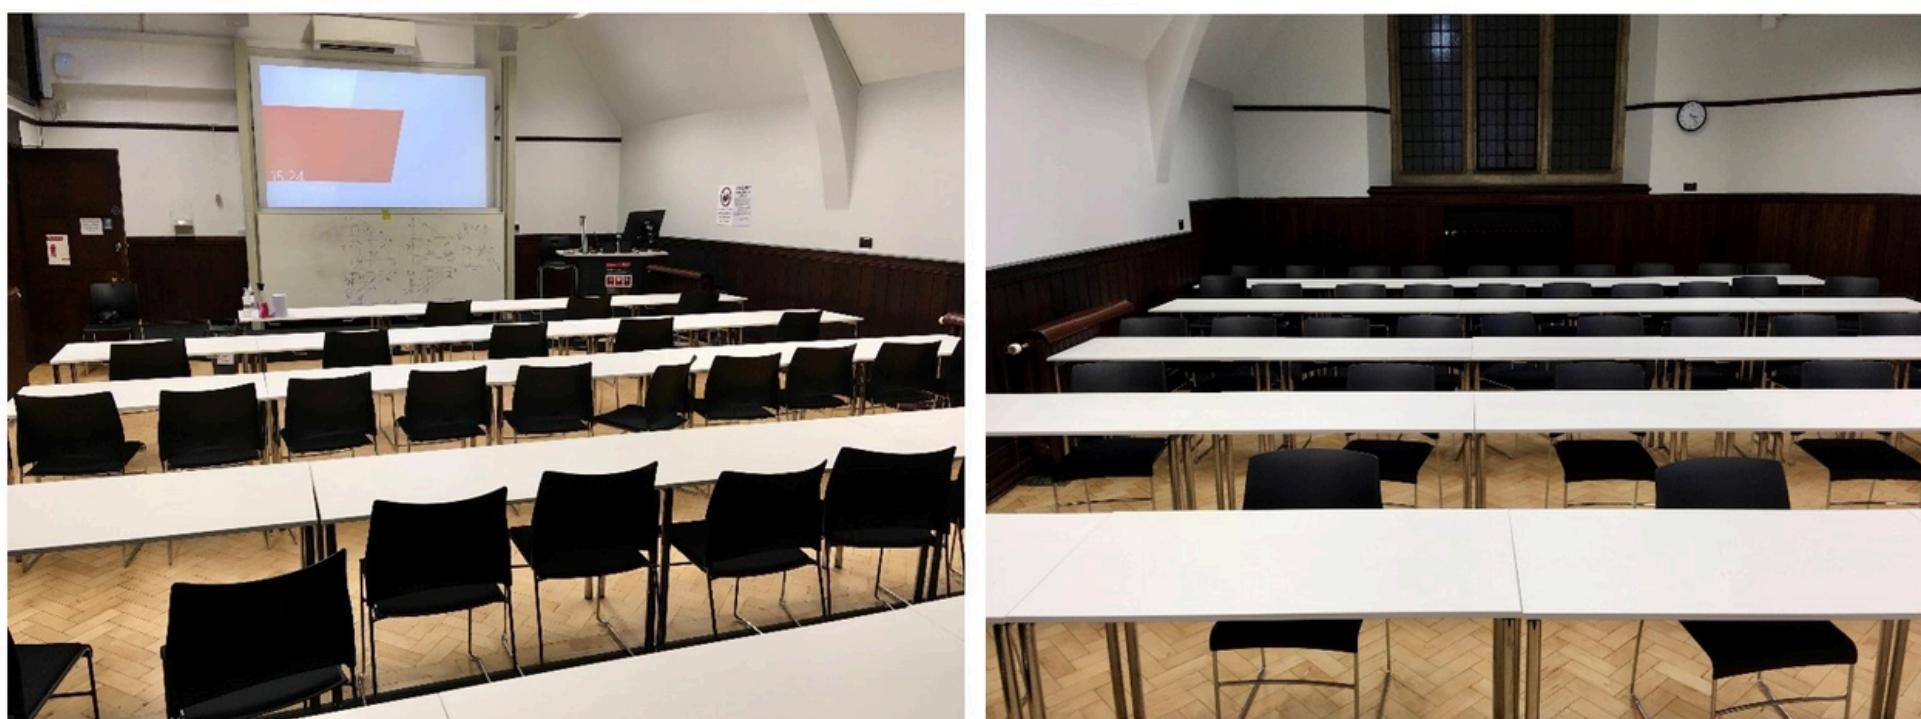

The Layout of this room will not be as in these pictures. We will have rows of seating in the first half of the room, and demos and posters in a “Stall” type style in the back of the room by the entrance to it.

This is so demos and posters can stay up during the whole length of the conference.
